

REMARKS

Applicant has amended the specification to make the changes suggested by the Examiner. Applicant has canceled claims 1-11 and added new claims 12-16 so only claims 12-16 remain in the application. New claims 12-16 respectively represent claims 4, 5, 8, 9 and 10, which were each stated to be allowable if placed in independent form (but claim 16 depends from claim 15) and with indefiniteness corrected, which has been done.

Enclosed are copies of Figs. 1 and 10 with requested changes shown in red ink. Also enclosed are copies of these figures with the changes marked in the black ink.

In view of the above, the application appears in condition for allowance, favorable reconsideration and such allowance being courteously requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Leon D. Rosen'.
